## Insurance:

I have negotiated with our Insurers for parents to take out voluntary cover for your children at DPS for this year. The amount is R345 per child for the year and covers your child in the event of any injuries sustained at school or on school activities.

I strongly suggest you seriously consider this cover.

Details are:

Contact Marsh on 0332641930 or email:

Sharon.soobramanian@marsh.com

This is purely voluntary, but highly recommended. Please send a copy to school for our records. Thank you.

...

## Bi-election:

We have a vacancy on our SGB as Ms Nirvana Loutan's sons no longer attend DPS. They have gone to Glenwood High School. I have set aside 2 election dates:

16 / 18 March 2020.

We require a quorum before we go ahead on the first date.

Nomination forms are available at the front office. Please diarise this date at 5:30 p.m.

...

## Prefect Camp:

This was thoroughly enjoyed by all of our 24 prefects and I thank Mr. Veerasamy, Mr. Pierce, Mr. Chetty and Miss Le Breton for accompanying them.

...

## School Fees:

*Please ensure you keep up to date with your school fee contributions. Thank you to those parents who are committed to paying their fees on time.*

*I sincerely appreciate it.*

Tuck Shop Price Increase:

We have had to increase the meal of the day and chips to R12 each. Despite us sourcing the cheapest places to buy, we just were not coming out on 2019 prices.

Trusting you will understand.

...

Uniforms:

*I am very pleased at the pride our DPS children are taking in their uniforms.*

*Please note that name badges are compulsory and needed for treats.*

*The money (R35) must be sent to the teacher who will fill in an order form and submit it the office for ordering. Please note these are not made on the premises but are ordered out.*

...

Crossing Roads Safely:

We insist that our children cross the roads at clearly marked Zebra crossings or pedestrian robots. Please support us by your own good example.

Sincerely
